What our clients have said about the Shadowood Experience ! Dear Ed,Rick and I just wanted to say thank you again for helping us out. Thoughtfulness like yours is appreciated more then words can say. You really have touched our hearts.SincerelyRick and Kathy K. Lesli and Kathy, I've closed a couple transactions recently that involved a mortgage broker in Wappingers Falls named Ed Gaine and the company is called Shadowood Mortgage. While I'm not usually quick to make professional recommendations, I had a really good experience with Ed and want to pass his name along. His office secured excellent rates for the purchasers and the staff was exceptionally knowledgeable, accessible and efficient. A real pleasure. To the extent your clients may from time to time request a mortgage broker referral; I think this is a good one: We were very pleased with the effort put in by Erika to help us refinance. She worked to find us the best mortgage to consolidate our loans at the best rate and we were extremely happy. Shadowood Mortgage offered a great service and delivered! Randy and Nancy Werner, Poughkeepsie, NY. When my husband and I bought our first home we used a big name corporation. It was a very frustrating and impersonal experience. Each time I called I had to go through a list of options to only get voicemail then wait a day or two for a response. Fortunately, I met Erika through our mutual daycare provider. Timing was perfect. We were ready to upgrade to a bigger home. She was extremely knowledgeable, answered all our questions and some questions that didn't relate to the mortgage itself. She even made a home visit to sit and explain all our options. She helped us make an informed decision. The best part was her availability. If I called, she answered. If I wrote her an email, she responded in minutes if not immediately and sometimes very late at night. I have referred her to 2 other families that were just as annoyed with their first choice as I was. Both were glad they switched and were completely satisfied with her services. Karrie Davis, Poughkeepsie, NY. Shadowood Mortgage was amazing in such a rocky area of mortgages right now. Erika took the stress out of the most frustrating part of purchasing a new home. She guided me through every step of the way and smoothed all the bumps out for us. Readily available practically 24 hours a day through phone or email. I would use their services again and again. I have also recommended them to everyone I know!!! Heather Daley, Fishkill, NY. To our Friends at Shadowood Mortgage,We just wanted to take a moment to thank you for all that you did to make our recent home purchase successful. Your entire staff worked diligently and professionally to make sure that we received the best possible care with the best possible service. We couldn't have been happier and your thoroughness and professionalism was noted at our closing by attorneys on both sides! A real tribute to all of you. Thank you again, and we will be sure to pass on the positive experience to all that will listen.Sincerely, Glenn & Jennifer SBuying and selling a home is one of life's most stressful events.
